Animal
Challenges

Awaken your child's imagination and creativity with these great animal challenges.

Print them out and cut along the lines. Fold them up and put them in a jar so that you can pick them at random and have fun with them.

Or if you don't want to print them then have a read and pick as you go. They are great fun for all the family to try.

By Wonderful Play

1:

Stand on one leg like a Flamingo.
