Dear

Christmas is almost here and my elves and I are very busy trying to make and wrap all the presents ready for Christmas Eve. Mrs Claus is busy making mince pies and Magical flying Christmas dust that we will sprinkle on the reindeer's noses so that they can fly me around the world delivering presents.

I see from my notes that you have been very good this year. I am very glad to hear it as this means you are on my nice list. You have some wonderful items on your Christmas list this year so, I shall do my very best to get you what you have wished for.

All that I ask is that you continue to be good and help your families get ready for Christmas. I will know if you have been naughty...

We can't wait to visit your home on Christmas Eve so make sure you are tucked up in bed asleep. If you wouldn't mind Rudolph and I would love a little treat, we do get hungry on our journey.

*We wish you and your family a
Very Merry Christmas and a
Happy New Year.*

*Love From
Santa xx*
