Dear

I wanted to thank you for the beautiful tooth that you left me under your pillow. It really is a lovely tooth and I will treasure it always. It will make a fantastic addition to our ever-growing collection.

Your tooth will now be taken to our tooth vault in Fairy Land where it will be kept safe forever.

We would love for all of your teeth to be as lovely as the one you left us last night. So, we have just one small favour to ask.

Please brush your teeth Morning and Evening as this will help to keep them strong and healthy.

We await the arrival of your next tooth when it is ready to come to our magical kingdom.

*Thank you,
The Tooth Fairy x*
